

CERTIFICATION SCHOLARSHIP

ONE INDIVIDUAL'S CERTIFICATION TO BE COVERED BY IFMA JAX

IFMA Jacksonville will be providing one individual with a complimentary certification as part of our new Scholarship Program. No matter where you are in your career, an IFMA certification is a perfect learning opportunity for you to gain new insight, stay up-to-date with leading industry trends and master the foundations of facility management.

A certification can provide you with:

- Skills you need to succeed in facility management
- A solid foundation in the fundamentals of facility management
- A passion for learning
- Up-to-date knowledge of industry trends
- Focus and determination to make an impact in your organization
- Confidence in your expertise verified by credentials

IFMA certifications have a value add to you and your organization of:

To learn more about the Program, please see the information below:

REQUIREMENTS:

- Prospect must be a Facilities Manager, Assistant Facilities Manager, Property Manager, Building Engineer, or enrolled in a Facilities Management Degree Program
- Prospect cannot be on the IFMA Jacksonville Board

QUALIFICATIONS:

To qualify for the Certification Scholarship, the prospect should:

- Attend all IFMA Lunch & Learns and events
- Join an IFMA Jacksonville committee
- Provide a letter of qualification to the IFMA Jacksonville Board

SELECTION:

The IFMA Jacksonville Board will select the one individual based on:

- The review of the letter of qualification

Should you have any questions about the scholarships or if you would like to submit a letter of qualification, please reach out to Abe Gonzalez at abraham.gonzalez@nemours.org.
