

New Member Orientation

IFMA Jacksonville Chapter

Welcome

IFMA Jacksonville Chapter

Dear New Member,

Welcome to the IFMA Jacksonville Chapter! We are thrilled to have you as part of our organization and look forward to seeing you at our many upcoming events.

IFMA Jacksonville is an incredible resource for those in and supporting the facility management profession. Our main mission is to provide local facility management professionals with the tools they need to succeed and expand upon their careers. To achieve this, our chapter provides several educational sessions throughout the year to provide information on the newest technology, trends, techniques, and codes relevant to today's facility manager. In addition to our educational sessions, we also have resources in place to help in your pursuit of facility management related credentials, such as the CFM or SFP.

While IFMA Jacksonville's primary goal is education, we do aim to have some fun along the way. Our board provides various opportunities for networking and fun throughout the year, including our Family Nights, Clay Shoot, and Golf Classic.

As a new member, we do hope you will consider joining one of our many committees. Joining a committee is a great way to get involved within the chapter and meet other members. As is the case with any organization, you get out of IFMA Jacksonville what you put in and we can certainly attest to that.

Again, welcome to IFMA Jacksonville and we hope your membership in this organization helps you achieve your professional goals and provides you with a bit of excitement.

If you ever have any questions about your membership or how to get involved, we welcome you to reach out to either of us or anyone else on the board. We would all be happy to assist you.

Thanks!

Whether you are new to the Jacksonville area or an established facility professional looking to expand your contacts, IFMA Jacksonville can help you foster new relationships with industry professionals, expand your knowledge base, and become more engaged in the local community and IFMA at large.

Our IFMA Jacksonville Board works tirelessly to provide our membership base with all the tools and resources needed to get the most out of their membership. The Board is comprised of various committees that welcome new volunteers. These committees include: Clay Shoot, Education, Golf Classic, Membership, Outreach, Professional Development, Programs, and Socials. Committees provide focused networking with peers in specialized areas of the profession. These groups within the facility management community bring the resources of IFMA to you, providing an opportunity to share information, network and advance your career.

To ensure our membership has plenty of opportunities to learn and network, below is a sampling of the events our committees have planned throughout the year.

- Building Tours - These occur twice a year and allow our membership to see first-hand the latest cutting edge technology and facility management techniques in use at some of the city's most prestigious businesses.
- Clay Shoot & Golf Classic - Our Clay Shoot and Golf Classic are our largest events and provide membership with opportunities for recognition, networking, and fun.
- Lunch & Learns - These take place throughout the year and include an educational session provided by a speaker or panel on techniques, trends, or tools that benefit our facility professionals. There is NO CHARGE for FIRST TIME Facility Managers, otherwise pricing changes based on Members versus Non-Members.
- Socials - Typically we have three socials a year to provide our membership and their guests with opportunities to relax and enjoy the company of your fellow FMs and associates.
